## 2011/2012 Priorities

- Complete a revised set of bylaws that fits legal and National NAWBO requirements, fits the operational realities, and is flexible enough to move with the times.
- Complete more detailed and equally flexible practices and procedures.
- Help NAWBO Chicago to be the big voice in public policy affecting the small business owner (including women business owners) that it has been in the past.
- Work on helping NAWBO Chicago members to access Fed., State and local procurement opportunities
